Learning &
Innovation

A small green plant with two leaves is growing out of a clear glass lightbulb. The lightbulb is filled with water and has a small amount of soil at the bottom. The lightbulb is resting on a weathered wooden log. The background is a blurred natural setting with more logs and foliage.

Learning & Innovation

Organizations are “beings” in their own right. Organizations generate their sense of fixed purpose. They emerge where they are able to offer solutions to tasks (i.e., achieve objectives). Innovative tools in this module are:

- Policy Field Analysis
- Network Capacity
- Patterns of Innovation
- Knowledge Management
- Organizational Diagnosis
- Communities of Practice
- Learning Strategy Review

This training is based on GIZ-Capacity Works modules
